Why didn't anyone listen to Mr. Putin?
“We said not an inch to the east – that was a NATO guarantee in 1990. So, what became of that? They fooled us. We’ve seen five waves of NATO **expansion**. Now, they’re in Romania and **Poland**” 23.12.2021

Mr. Putin's concerns about **security** in **Europe**. The U.S. is deploying its **missiles** close to our home. They're on our doorstep. We're simply demanding them not to deploy their attack systems at our home. (23.12.2021)
